

REMARKS

Claim 1 has been amended to include subject matter formerly in dependent claim 5, indicated to be allowable. However, the claim has been modified and intervening depending materials have not been included. Nonetheless, it is respectfully submitted that none of the cited references even remotely suggest anything now set forth in claim 1.

Claim 12 has been amended to include the subject matter formerly in dependent claim 14, with other modifications. Again, it is respectfully submitted that nothing in the prior art remotely suggests anything to what has been added to claim 12.

Claim 17 has been amended correspondingly to the amendment to claim 1 and, for the same reasons, should be in condition for allowance.

The objections set forth in paragraph 2 have been cured by making the suggested amendments.

Respectfully submitted,

Date: July 13, 2007
